

# THE SPHERES

TEAM 1673

SO HOW DO WE ACCOMMODATE A "USELESS" HOME INTO SOMETHING MEANINGFUL AND WORTHWHILE?

WE ADAPT.

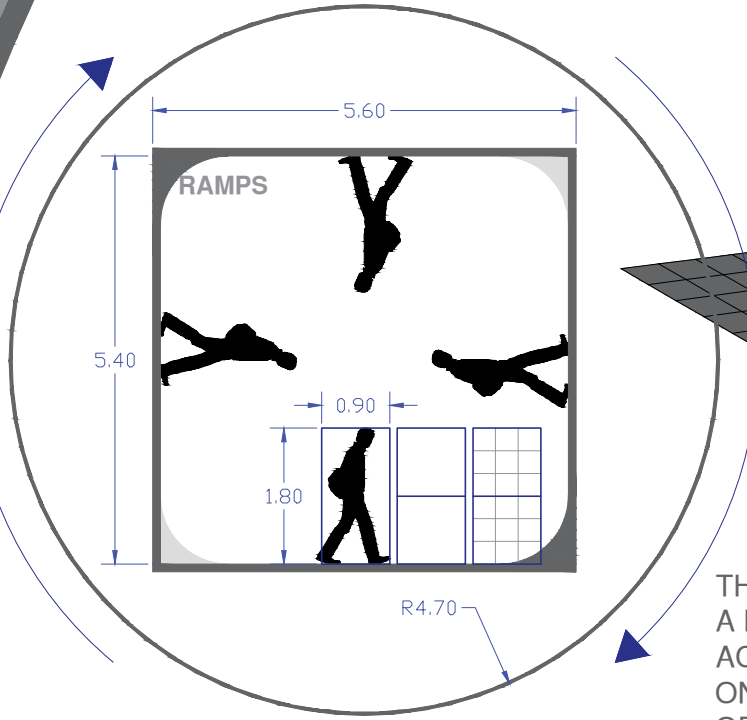

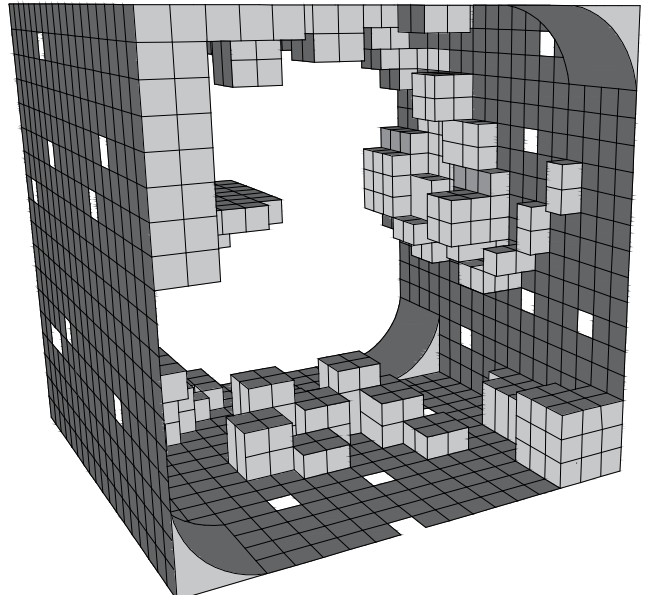

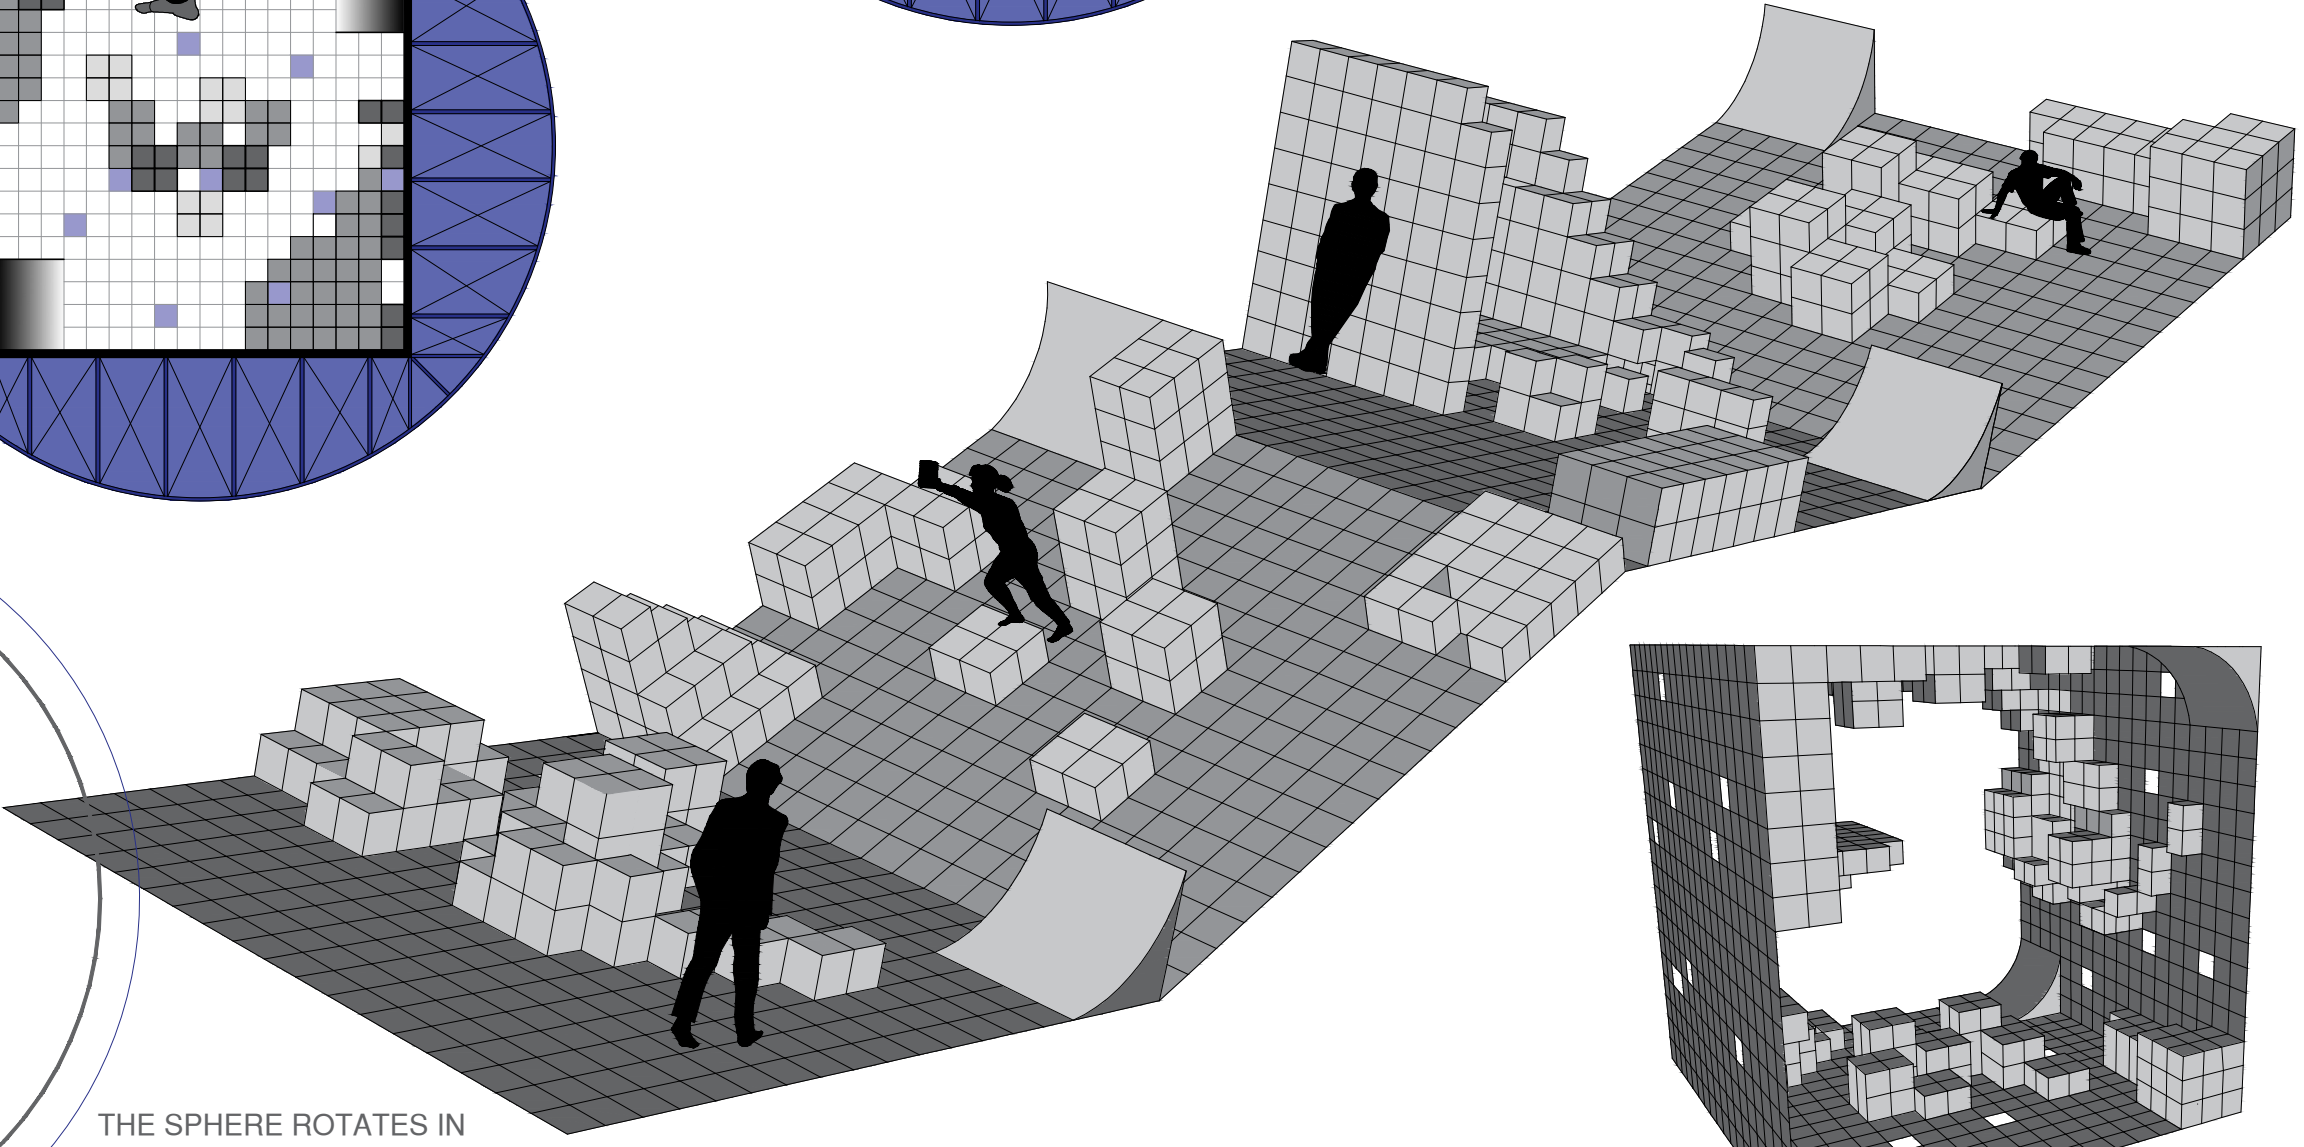

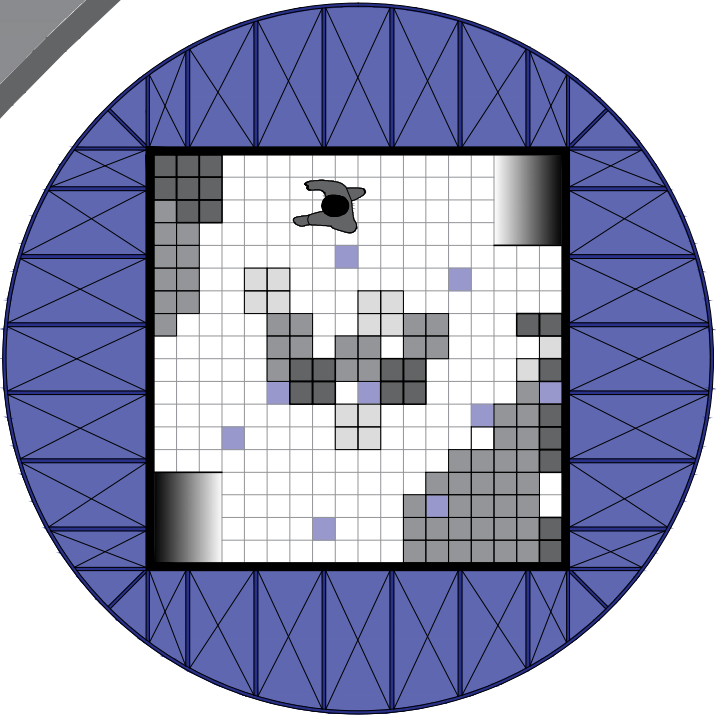

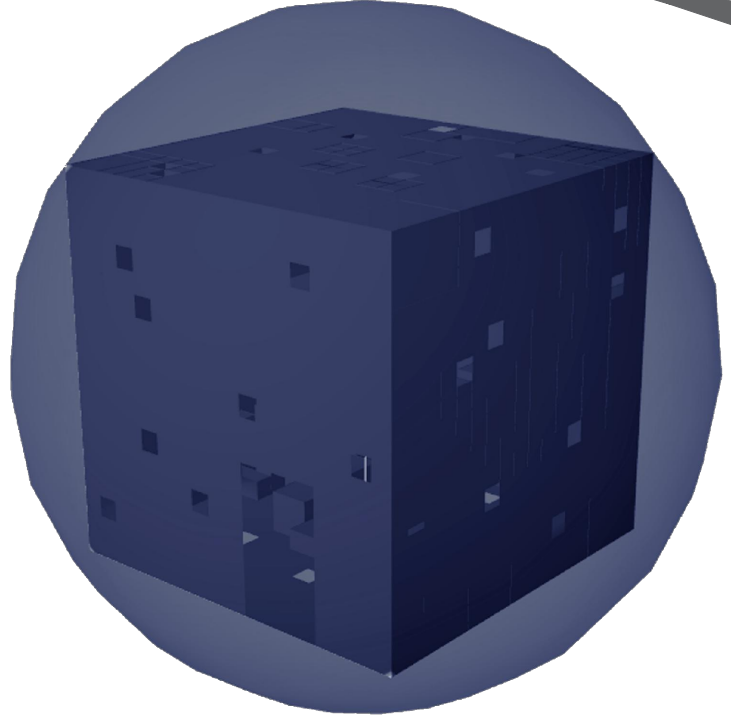

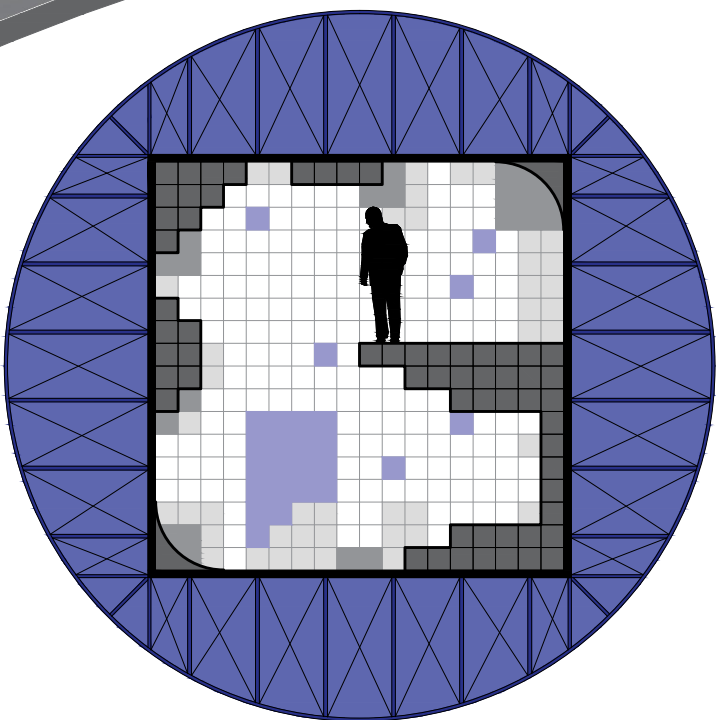

A BED MIGHT ONLY BE A RESTING PLACE, BUT IF YOU ADD A BOARD ON TOP COULD IT WORK AS A DESK?

STAIRS MAY SIMPLY BE CONNECTIONS BETWEEN SPACES, BUT IF YOU CHANGE ITS DIMENSIONS COULD THEY SERVE AS BENCHES?

A SINGULAR MULTI-DIMENSIONAL SPACE WHERE ONE MAY ADAPT THE ELEMENTS AND TRANSFORM AN ARBITRARY SPACE INTO HIS OWN.

THUS A SPACE DEVOID OF ANY PARTICULAR USE YET BOUND WITH MULTITUDES OF POSSIBILITIES.

AND FOR A HOME THAT HAS NO PLACE... WHY A BASE?

THE SPHERE ROTATES IN A LINEAR DIRECTION AND ACTIVATES ONLY WHEN ONE APPROACHES ANY OF ITS RAMPS
