THE FORM AND CONCEPT OF OUR BUILDING HAS BEEN ERIVED FROM THE NATURE,CUL-TURE AND THE TRIBE BUYI,AS THE BUYI AND THE NATUR BOTH HAVE A COMMON AREA OF SIM-PLENESS IN THEM.SO,WE HAVE TAKEN THE CUBE AS A FORM,THE SIMPLEST FORM THAT COMES INTO OUR MIND.

BASICALLY WE HAVE EVOLVED THE LARGE CUBE INTO A DISARRANGED CUBE EXTRACTING THE SMALL CUBE AND GETTING THE CANTILEVER OUT-.THUS WE GOT THE FORM OF OUR BUILD-ING.
